

Windstar Studios, Inc., one of Colorado's largest production and post-production facilities, has an immediate opening for a Motion Graphics/Video Editor. This will be a full-time position.

Position Information:

Applicant must be able to work within a team setting, demonstrate a good working attitude, work well under pressure, and demonstrate good organizational skills. Job expectations include, but are not limited to:

- Create stunning visual 3D/2D graphic animations
- Strong Adobe CC Suite skills (After Effects, PhotoShop, etc.)
- Aptitude for design, layout, color correction and motion graphics
- Ability to excel in an unsupervised environment and meet deadlines
- Log/organize footage for editing
- Maintain an archival database
- Ensure that all media meets video, audio and content standards

Requirements:

Ideal candidate will have a college degree or equivalent work experience and a good working knowledge of the post-production process. Successful candidate must pass a drug test and background check.

- Knowledge of video editing systems: Adobe Premiere, FCP, FCP-X
- Video editing experience
- Proficiency with Macintosh and Windows operating systems
- Able to multi-task many projects simultaneously
- Knowledge of CODECS and video compressions
- Ability to work any shift and overtime if necessary

Application Instructions:

Please send resume and cover letter to:

Windstar Studios, Inc.
525 Communication Circle
Colorado Springs, CO 80905
